

## Instructions for Application for an ACCESS Teacher Grant

These grants are intended for STEM education. Please submit your application describing what the school would do with this one-time grant. These grants should be used to carry out inquiry based activities, to further a science experiment, or to further math or science education at your school.

Your application should include the following information:

- Name of the school
- Name of the teacher
- E-mail address of the teacher
- Mailing address of the teacher
- Title of project
- Grade level(s) of students participating
- Project summary
- Relevance to math or science standards
- Detailed budget
- Project evaluation plan

Submit Application by July 31, 2022

Email to: [mmrousek@gmail.com](mailto:mmrousek@gmail.com)

Decision of the Board of Directors of ACCESS will be final, not subject to any appeal and each applicant will be notified by email after the deadline.

Teacher grant awards will be distributed in November 2022 based on funding support from local businesses.
