

ACCESS Teacher Project Grants for 2023-2024

Instructions for Application

ACCESS is requesting applications for Teacher Project Grants of up to \$500 each. These grants are intended to support math and science education. Please submit your application describing what the school would do with this one-time grant. These grants should be used to carry out inquiry based activities, math and science related events, to further a science experiment or to further math or science education at your school.

Your application should include the following information:

- 1. Name of the school:**
- 2. Name of the teacher:**
- 3. E-mail address of the teacher:**
- 4. Mailing address of the teacher:**
- 5. Title of project:**
- 6. Grade level(s) of students participating:**
- 7. Number of students impacted by your project:**
- 8. Project summary:**
- 9. Relevance to math or science standards:**
- 10. Detailed budget:**

Project evaluation plan:

Submit your application by July 31, 2023 by email to:

mmrousek@gmail.com

Decision of the Board of Directors of ACCESS will be final, not subject to any appeal and each applicant will be notified by email after the deadline. Teacher grant awards will be distributed in November 2023 based on funding support from local businesses.
